brand close-up...

Coluxure is a Premium Wooden Furniture Mfg. brand by **E-Plast Industries LLP**, Ahmedabad. E-Plast Industries LLP was founded in the year 2011 by Mr. Mohan Varsani and the company is now a key player in the fabrication and furniture industry.

At Coluxure we aim to manufacture and promote good customized designs, which include comfort, strength, durability, visual satisfaction, functional & structural logic. Our catalog offers a wide range of sizes and material options. We can customize our designs to meet specific requirements or work with architects and interior designers to develop furniture for a specific project.

We use high-quality hardware & Material source from reputed manufacturers. Our comprehensive and innovative range of designs and production capability can meet the furniture requirements for varied types and scales of projects from Homes Including Modular Kitchens and Offices to Schools, Colleges, Hotels, and Public Institutions.

Our Strength

We have a well-equipped facility of the latest German machines like Panel Saw, Post form, Spindle Molder, Through Feed & CNC Machine for Modular Furniture in our 20,000 Sq. Ft. Workshop with a team of 30-40 well trained & skilled craftsmen. Our products are available in our company showroom spread over 4500 sq. ft. at Gota, Ahmedabad. Our real strength is our team, about 75 professionals in our factory and 12 personalities in Sales & other departments, who passionately work for the company to meet our targets.

Today, with the development of scientific and technological means, the appearance of metal products in the appearance is no longer a thousand miles away. It is based on this psychological advantage that metal is widely used in furniture products, and the characteristics of the material itself give her unparalleled plasticity.

Smart60

work better

A 60mm partition based workstation system that adapts to any layout. Its immaculate post caps make it a designer's delight. Decorous and systematic bays build a professional and engaging workplace.

KEY FEATURES

- Slide-on tiles to ensure perfect alignment
- Offers choice of 60mm
- Large range of components to suit every need & design
- Die-casted chrome finish caps

STRUCTURE AND CABLE MANAGEMENT

- Robust structure
- Anodised and powder coated aluminium frame
- Excellent wire management with raceway at multiple levels

Smart Sixty offers perfected modularity, high functionality and an aesthetically pristine workstation solution for the modern office environment.

An all aluminium structure offered in both anodize and powder-coat finish, with separate 9mm tiles above and below the work surface allows to package the environment with infinite combinations of material, color and finish.

A removable flush mounted raceway design and the individually removable tiles pave the way for maximum wire management in all axes is a unique proprietary feature of this elegant system.
